## ZONIA ANWAAR RAZE ZIBAEI MADE TO ORDER 2018

You can order RAZE ZIBAEI Bridal/TrousseauCollection 2018 through chambeili® as we are Zonia Anwaar's Official and Authorised Stockist in the United Kingdom for the past 5 years. Simply choose the designs from this catalogue, then call/email to book a consultation at our store: +44(0) 1274 598669 or [custom.orders@chambeili.com](mailto:custom.orders@chambeili.com).

The best time to book is Tuesday to Thursday between 11.30 am to 1.30 pm, Saturday between 3.30 pm to 5.30 pm or Sunday 12.30 pm to 2.30 pm.

During your one-to-one consultation with Fozia, we will arrange a Facetime or Skype video call with Zonia Anwaar so you can discuss your order requirements including your budget, colour scheme and any customisation of the design that meets your own requirements and theme.

At the time of your consultation period you will be able to see the outfits in closer detail over the video call so you can see the quality of handwork and craftsmanship. If you want to add extra items such as fish tail, increase/decrease the amount of work or any other adaption then this can be discussed during the call. We strongly advise that you bring your parents or siblings for bridal consultation so they are happy with the decisions you make.

**Please Note:** *Zonia Anwaar is extremely busy with global order fulfilment and we advise that you only book a consultation if you are genuinely interested in placing an order. We also want to advise customers that when you place your order through chambeili® the cost of your outfit with delivery is slightly cheaper as we save costs on shipping. Since we place many orders with Zonia Anwaar, our shipments are sent in bulk so we allocate your order in bulk consignment hence a reduction in shipping costs; whereas if you order directly then you have to pay the full delivery charge. In addition, we have a long term relationship with Zonia Anwaar that spans over 5 years so when you place your order it is prioritised and we have strict time and quality control processes in place to ensure your order arrives in time and made to your requirements.*
